

Our traditional, dual-purpose UV/LED Curing Soak-Off Gel Polish System, provides a high-shine, glossy gel manicure. Used as a 3-step system in conjunction with our basecoat and topcoat, choose from our 84 vibrant and exciting colours.

The LED/UV Curing Soak-Off Gel Polish System, provides a professional quality manicure for up to 3 weeks. It can be easily and safely removed when desired, using acetone nail polish remover.

Our system has been cosmetically approved and retail, low-MEHQ formulations, are also available.

Can be supplied in bulk containers or filled into brush-on bottles. Colour matching options are also available; please contact us for further information.

Chemence Private Label Cosmetics, leads the way in the development of high quality and innovative products, for the Cosmetics and Beauty Industry.

Our highly skilled workforce and world class development chemists, continually strive to provide exceptional service to all our clients.

Specialising in private label products, Chemence can take your idea from conception to finished product. Rest assured that our dedicated team of chemists, technicians and graphic designers, will make your project a reality.
